ABOUT STYLE UNSETTLED

STYLE UNSETTLED is a fashion and lifestyle blog born out of my passion for all things art, culture and fashion, and driven by my desire to constantly push and expand my creative direction, visual storytelling and photography skills.

STYLE UNSETTLED speaks to the dynamic woman that hates being labeled and boxed-in, that constantly defies society's pressures and definitions of her, that likes to be in charge of her life, and design an environment of beauty and excellence around her that allows her to fully express herself and continue to grow. Somewhat rebellious and always curious, she is fierce in the pursuit of her passions, regardless of age or background.
